

RJ LEADERSHIP COACHING, LLC

APPROACH

My approach blends empathy, clarity, and authenticity to help you move forward, build confidence, and grow into the leader or professional you aspire to be.

AREAS OF EXPERTISE

- **Career Transitions:** Navigate career shifts with clarity, confidence, and purpose.
- **Leadership Development:** Step into leadership with authenticity and effectiveness.
- **Communication & Influence:** Improve your workplace communication, manage difficult conversations, and influence authentically.
- **Confidence Rebuilding:** Overcome setbacks and rediscover your professional confidence and momentum.

MY BACKGROUND

My experience spans roles at the U.S. intelligence community, Tesla, and OpenAI. Throughout my career, I've consistently helped colleagues and clients navigate change, lead with empathy, and achieve tangible outcomes.

HOW I CAN HELP YOU

- **1:1 Coaching:** Customized sessions designed around YOUR goals, challenges, and unique strengths.
- **Group Workshops:** Interactive sessions that equip teams and individuals with practical tools for effective communication, leadership, and growth.
- **Upcoming Programs (launching soon via Converge):** An online Job Search Mastery course designed specifically for recent college grads; and corporate training programs focused on bridging generational gaps and fostering empathy, equipping new professionals to engage effectively in the workplace.

If you're ready to grow professionally or want support navigating your next step, let's chat!
